## AGREEMENT

I understand that College Edge holds the copyright to materials which are distributed throughout the course and agree that no copies of these materials will be distributed to third parties. I understand that regular attendance is vital to maximizing my test scores and will make every effort to arrive on time for scheduled classes and tests. College Edge agrees to meet privately, at no additional cost, with any student who would like a more complete understanding of any of our techniques or materials. College Edge agrees to conduct make-up classes for students unable to attend scheduled classes, based on availability.

## ALL THAT WE ASK OF OUR STUDENTS

- To attend all classes, practice tests and complete all homework assignments.
- To arrive to all classes and practice tests on time.
- To prepare adequately for all vocabulary quizzes.
- To behave in a manner that is conducive to the learning environment.
- To rework all incorrect problems on practice tests and ask their instructor or instructors for help if necessary.
- To fully engage and participate in class in order to gain the full mastery of all that is taught.

## GUARANTEE

College Edge will work again at no additional cost with any student enrolled in our SAT preparation classroom program who attends all course scheduled classes and practice tests, completes all homework assignments, and fails to raise his or her SAT scores by 200 points, or ACT scores by at least 3 points based on prior PSAT, SAT and ACT scores. If a student does not have prior scores, improvement is based on the student's first diagnostic test. Any student who after, attending all scheduled classes and practice tests of an additional SAT or ACT course and completing all homework assignments, fails to raise his or her SAT scores by at least 200 points, or ACT by at least 3 points will receive a total refund of the entire course fee.
